MONGEVILLE

SERIES - 6x90' HD

In Bordeaux, the ex-committing magistrate, Antoine Mongeville, is called back to work for new cases. The investigation will take place on the ground which is the first time for him, but he has the experience of his long carrier. He is assisted by a young police lieutenant. The solitary and temperamental magistrate is reluctant to cooperate with this new partner whose methods differ from his owns. The psychological confrontation between the two characters adds a dimension to the uneasy investigations.
