## season 1

(2006) 8x52'

Sandra Paoli is a 30 year-old lawyer in Corsica. Despite her involvement in the judiciary system, Sandra is linked to the infamous criminal and head of the Paoli family, her uncle François. When he is murdered in broad daylight, the young woman finds herself his sole heir. She then has to decide if she wants to take control of a divided family who can't bear the idea of a woman in command and who have to fight against numerous rival families. But she can count on her brother's support and soon learns how to take control in a hostile and violent world.

## season 2

(2008) 8x52'

Sandra has been in charge of the Paoli clan since her father's death but had to watch in vain as her brother was arrested in the mindst of an arm-for-drugs exchange in order to save the clan. She decides to fight to regain control of the clan and does everything in her power to get her brother out of prison. But a new and unexpected battle begins against her own brother. Jean-Michel no longer wants to be in second place and the one she sacrificed. He demands that the business be split in two. But Sandra refuses. Jean-Michel manages to win over a few men to his side and he launches the hostilities.

## season 3

(2010) 8x52'

Jean-Michel takes the bullet instead of Sandra in an assassination attempt which he himself contracted. He then falls into a deep coma. How will the brother and sister get along now on a small island where they're bound to cross each other's path? On top of that, a new gang wants to make the most of the brother and sister's quarrel and start provoking them. Sandra returns to her mother's village and hopes for a normal life; but she is still the chief and has to get involved in a terrible fight for several kilometres of unconquered coastline. And once again she is seduced by a dangerous character...

## season 4

(2011) 8x52'

Jean-Michel manages to get Sandra to flee Corsica, under the pretext of saving her life from the nationalists. After a year away, Sandra is back in Paris and wants to expand her power within the gambling world. But she hasn't forgotten that her brother betrayed her once again.
